FUNDRAISER FOR CHILDREN'S HOSPITAL

The Supper Solutions fundraiser for Children's Hospital was quite successful with eighteen members organizing and purchasing the delicious but quickly prepared entrees. The February 9 event was a fun time, practical for our busy lives and a great way to raise money for our philanthropy.

Those who did not have the opportunity to participate are encouraged to contribute to the fund. Your donations/checks made out to Sigma Sigma Sigma, are greatly appreciated and may be sent to our acting treasurer, Sheryl Dahm. We received 15% of the purchase price of the meals but your contributions are 100% profit so please consider a donation.

MARCH MEETING

Bobbi Smith is the hostess for the March 10 meeting. Please note that the location is different than the one listed in the fall schedule. The 6:00 pm meeting includes coffee and hors d'oeuvres; Angel Montez is co-hostess.

DENVER AREA PANHELLENIC

The 100th anniversary of DAP was celebrated February 23, 2008, at the Grand Hyatt Hotel with dinner followed by introductions of outstanding DAP members. Jennifer Zeppelin, well known local T.V. personality and member of Phi Mu, was Master of Ceremonies. Former DAP Presidents spoke about the history of Denver Area Panhellenic.

Bobbi Smith and Nancy Olsen were honored as past DAP presidents, Bobbi Smith, past Woman of the Year, Jackie Goreham an Alumnae Achievement Award Winner and Louise Jordan, Jackie Goreham and Videll Nordmark for Greek Fraternity membership over 50 years. Each received a long-stemmed rose.

Congratulations ladies for extraordinary involvement in DAP and as exemplary members of Sigma Sigma Sigma.

Jackie Goreham, Louise Jordan, Videll Nordmark, Bobbi Smith and Carolyn Wallisch attended the festive event.

The annual DAP Awards Luncheon will be held on April 26 at the Brown Palace Hotel. Louise Jordan will give details of purchasing tickets at

our March meeting. Scholarships given at the luncheon are funded by the sale of tickets to the Phantom Tea. Louise will be happy to take your donations.

New Garments Always, the annual DAP clothing collection, is nearing. Louise will accept all items of new clothing at our March meeting to be turned in at the Panhellenic meeting in April.

CHILDREN'S HOSPITAL PHILANTHROPY PROJECT

Friday March 7 and Saturday March 15 (both 1:00 – 3:00) are the dates we are scheduled to give “parties” for the hospitalized children at the new Children’s Hospital.

We have no way of knowing how many children will participate but they will come and go during the two-hour period. Nicole Pech is planning the craft activities/parties and taking necessary supplies. Our smiling faces and gentle hands are what will be needed.

Jean Stuck has lots of names on the interest sheet filled out at the January meeting and now she needs confirmation. Please contact her with your choice of days at colorstucks@earthlink.net.

Those who would like can plan to have lunch at the lovely, open cafeteria at 11:30. Parking is available for \$2. Take Colfax to Ursala and go one block north to 16th Ave. Turn right and curve to Children’s Way and then left into the parking lot.
